

## “Terms and Conditions”

### (The legal blah...)

We have to have a set of terms of conditions with every contract, it protects both our customers and Minyx360. We do however hate the idea of hiding away the nasty bits in the small print, thinking we have got away with it!

The following summary highlights the parts of the terms and conditions that we believe are the main areas you need to know and understand if you don't want to read 10+ pages

This summary attempts to explain the relevant clauses in as simple English as we can:

**7.1** – our payment terms are 30 days from date of invoice

**7.6.1** – if you are late paying us without agreement by both parties we do have the right to charge interest at 5% over the current base rate

**10.2** – our services are provided for a minimum contract length of 12 months. After this minimum period or period agree between us, we require you to give us 90 notice or termination

**11.1** – you will pay us for all the services up to the date the services are ceased

**11.2** – we will help you transfer the service to yourselves or indeed another provider as much as possible

The full document clearly sets out, in as simple English as we can ...
